MEMORANDUM FOR FIPS Points of Contact

From: Harry S. White, Jr. *Harry S. White Jr.*
Associate Director for ADP Standards

Subject: Coordination of Three Proposed Standards for Magnetic Media

By my memorandum of 1976 September 15, subject as above, I forwarded to you three proposed standards for coordination and comment.

Unfortunately, due to administrative errors, the proposed standards were not properly assembled during the reproduction process.

Please ignore this earlier memorandum and attachments. A proper package will be mailed to you within the next two weeks.

I am sorry for any inconvenience this may have caused you.
